Have another Look

Next door to the Maritim Hotel Reichshof and just a couple of yards away from the Museum for Arts & Crafts you will find a very nice place for having our meals and drinks:

Schifferbörse

<http://www.schifferboerse-hamburg.de/home.html>

From Thursday to Saturday there will be tables especially reserved for us from 17:00 to 20:00 hrs.

When you go to their homepage you will see many more details of this lovely typical Hamburg restaurant and you will also find the menu in English.

Looking forward to seeing you soon – you may still register ...
