If you click here <http://goo.gl/RQ37kO>

you will see a map of the area where our event takes place. Please have a look.

Arriving by plane

If you come by airplane here is a description to find your way.

As you can see in the map the main station (Hauptbahnhof) is very close (1 Minute) to all our locations.

When you arrive at the airport take the „S1“ line **S1** to the main station (direction „Wedel“ via "Ohlsdorf"). You have to enter one of the three waggons at the rear which go directly from the airport to the main station. It will take you about 24 minutes, the fare is 2,95 Euro.

You exit the mainstation at "Kirchstraße", turn left to the Maritim hotel and right to the Museum for Arts & Crafts. The trains leave every 10 minutes starting; 10:54, 11:04; 11:14 etc.

Registration office

We will hand out the convention material in the lobby of MARITIM Hotel on **Wednesday 28. August**, from 16:00 to 19:00 hrs. Meet here for a first chat with old and new friends.

On **Thursday, 29. August**, we will hand out the convention material *only* from 8:00 to 10:00 hrs. If you join us later you may receive your material at the Museum in front of the Hall of Mirrors.

Hall of Mirrors

You will receive another mail some minutes later which shows you the beautiful Hall of Mirrors. Just wait ...

I am looking forward to meeting you all very much.
